Dear Mr. Darshan B,

On behalf of Atria Foundation, I would like to extend our sincere gratitude for your contributions as a Software Development Intern from February 24, 2025, to December 24, 2025.

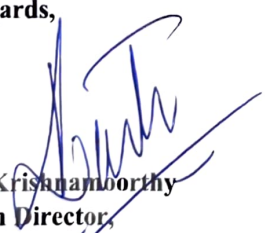

Your dedication, analytical thinking, and problem-solving skills were truly valuable to our team. You played an instrumental role in developing and optimizing backend systems, ensuring seamless API integrations, and maintaining the security and efficiency of our platform. Your ability to work through complex challenges with precision and diligence was commendable. Beyond your technical expertise, your teamwork and proactive approach made you a pleasure to collaborate with. We sincerely appreciate the hard work and professionalism you brought to the team.

Although your internship has come to an end, we are confident that your talent and determination will lead you to great success. Should you require any guidance or recommendations in the future, know that you will always have a place in the Atria Foundation family.
